

Empowering children to reach
their full potential.

Ofsted accredited provision and P.E lessons that bring
out the little Superheroes inside your students.

Working together with schools to deliver high quality childcare.

“The provider is a strong leader with clear vision and high expectations for their unique business model. Their caring approach underpins this extremely well-run provision.”

OFSTED Inspection Report: S4A Group Ltd
@ Bourton Meadow Academy
13 February 2024

At S4A we've created a childcare environment that empowers children to pursue their interests through a wide variety of exciting activities.

Our Early Years Ofsted accredited clubs ensure children get the highest level of care in a safe and nurturing setting.

P.E. Provision

Our specialist sports teachers provide children with the opportunity to learn new skills and develop existing ones. We provide a consistent member of our team to ensure stability for your children and your school - a cost effective alternative to a full time P.E member with all the benefits.

Our lesson plans are derived from our extensive knowledge base, with 17 years of coaching experience, revamping old favourite activities and always discovering new ones.

Our S4A Assessment Tracker provides children with a pathway from their first lesson in Reception all the way through to their last in Year 6. Looking at their technical, physical and psychological abilities and how we can enhance them. We provide a termly report to teachers, keeping them up to date through our assessment tracker with the skills they have learnt and the development they have shown. We can up-skill your teachers regularly and consistently throughout the year.

Wraparound Care Support

Do you need support meeting the Department for Education's wraparound care aims?

The DfE have made it clear that they want all parents of primary school children to have access to quality childcare from 8am-6pm.

We have over 10 years experience in delivering high quality Ofsted registered childcare and can support your school meet this requirement.

Holiday Clubs

Looking for income during the holidays? Offering childcare all year round?

Our Holiday Clubs open 8am-6pm with hour by hour booking slots. Early Years Ofsted registered provision supporting parents all year round. Our team cares passionately about creating clubs that allow your little superheroes to flourish and enjoy themselves. Our teams skill set vary from Cooking to Crafts and Science to Sports.

Festivals

Our S4A Festival Programme allows ALL children to participate in a range of different Sports throughout the school year.

Inter-house competitions and multi-school tournaments allow children to showcase their talent, whilst recognising hard work and determination to better themselves. Our festivals will provide weekly certificates to recognise achievements. It may be a 'WOW' moment, someone showing great team spirit or someone who listens and shows a great attitude.

“Always a lovely welcome in the morning for breakfast club and lots of fun had in the afternoon. With kind and caring staff, this is a great, safe place for wrap around care”

Sunrisers & Sunsetters

We understand how integral childcare is to increasing numbers on roll for schools.

We provide a wide range of fun activities on an hourly booking basis. Breakfast club (Sunrisers) can start from 7.30am until school commences, we ensure children start the day with a healthy and nutritious breakfast. After school club (Sunsetters) starts from the end of the school day and can finish at 6.00pm.

Empowered and ready for anything!

At S4A we integrate ourselves as part of each school's team to become a valuable asset to them.

We work cohesively with each school from; serving lunches, covering school staff and assisting the caretaker. Our flexible approach allows schools to utilise S4A in more than just P.E.

'The staff have been exemplary and plan engaging activities which the children want to partake in, and which meets the needs of all the children. They have developed excellent working relationships with the children, parents and staff and I am incredibly impressed with their professional, positive attitude'

Overstone Headteacher

Entire Group

Every child has a little spark that makes them unique. We love to make sure that this is the feature that helps them shine!

Entire is S4A Group's not for profit partner organisation. We have a clear vision to support every child during their journey through school into adulthood.

It is our mission to provide affordable, fully inclusive childcare provision across four counties by 2027. Furthermore, we are dedicated to creating a SEND offer that is accessible and affordable for all.

It is our long term vision, that the cost and quality of provision in the sports and childcare sector for a family with a child who has an additional need or disability will be the same as mainstream regardless of the staffing ratio and other adaptations required.

Rewriting the definition of inclusion in sport and childcare.

Forest School

Discover the wonders of nature through the eyes of children.

At Green Planet Forest School we believe in providing children with an immersive outdoor learning experience that fosters enrichment, emotional development, and a deep appreciation of nature.

Our Forest School program is designed to instill a lifelong love of the natural world, while also giving them confidence to assess, manage and take calculated risks, which results in greater confidence to try new things. And as we know, confident children grow into confident adults.

Everything we do is deeply rooted in the Forest School ethos, with heavy emphasis on the holistic development of children and young people. Our experienced instructors provide a safe, supportive environment where children can learn and grow at their own pace.

Our provision includes both in school and holiday camps, where we offer a range of activities designed to engage and inspire young minds, from **nature walks** and **plant identification** to **shelter building**, **use of tools**, **fire skills** and **campfire cooking**.

Leading from the front

As Sports coordinator of your school we can take away all the added pressure off your staff members to provide you with a short and long term Physical Education plan.

We could provide for your school:

- P.E curriculum that develops children from Reception right the way through to Year 6.

- Manage the Sports premium funding alongside the school, providing reports and evidence of what the money has been spent on to help improve P.E.

- Help your school achieve their targets in the school awards.

- Manage the use of equipment that the school offers for all staff to provide children with the best resources for their development.

- Organise break and lunch time activities for children to participate in competitive Sports, as well as provide a Change4Life club to help encourage those who may struggle for confidence in Sport.

- Lesson plans that fit with the curriculum for all staff to use and follow if they are teaching P.E alongside S4A.

- Inter-house competitions within the school for children to challenge themselves.

- Increase the quality of SEN focus in P.E by working alongside our SEN Lead at S4A.

- Link to the S4A Festival Programme, where you will be competing against other schools in organised fixtures, multiple school tournaments and inter house practice.

- Prepare you for an Ofsted deep dive in P.E, so you can be confident of achieving the best outcome.

- Organise and deliver CPD training to up-skill teachers and keep them in touch with what we are currently doing in P.E across the board.
